

2X SERVER

There are free and paid plugins. You are not obliged to use paid plugins (but highly recommended for a better experience). However, if possible we provide a free alternative.

For more information, please visit www.rustsetup.com

Free Plugins:

<https://codefling.com/plugins/rust-rewards>
<https://umod.org/plugins/stack-size-controller>

Paid Plugins:

AdminMenu:

<https://codefling.com/plugins/admin-menu>

This plugin is truly a time saver. I highly recommend it. With this plugin you can manage many things at once, players, plugins, permissions etc.

Free Permissions Manager Alternative:

<https://codefling.com/plugins/permissions-manager>

SkinBox:

<https://chaoscode.io/resources/skinbox.17/>

Free Alternative: <https://codefling.com/plugins/easy-skin>

SkipNight:

<https://codefling.com/plugins/skip-night>

Free Alternative: <https://umod.org/plugins/skip-night-vote>

Shop:

<https://codefling.com/plugins/shop-ui>

WelcomePanel:

<https://codefling.com/plugins/welcome-panel>

WelcomePanel Addons:

<https://codefling.com/plugins/welcome-panel-addons>
